WORK EXPERIENCE

FREELANCER

Berlin
Aug 2025 - Present

FULL-STACK ENGINEER & AUTOMATION SPECIALIST

- Rendering complex 3D masterplans from 3ds Max und **Blender** within **R3F** environments to achieve high-performance outcomes for mobiles.
- Multi-sensor viewer for the nuScenes dataset, integrating **FastAPI** (Python) and R3F for the 3D visualization of **LiDAR point clouds**.
- Leveraged **LLMs** (Claude, Gemini, NotebookLM) and Vibe Coding methodologies to rapidly prototype and deploy automation tools.

ADIDAS

Bogotá
May 2021 - Jun 2025

SOFTWARE ENGINEER

- Drove the development of **customization modules** (frontend and 3D) for sportswear's PDP using **Three.js**, **react-three/fiber** and **Unity**, with required end-to-end testing using **Jest** and **Cypress**.
- Improved deployment duration of the adidas Checkout backend **microservice** by implementing CI/CD pipelines via **Jenkins**, **Kubernetes**, supporting daily transactions across **30+ countries**.
- Developed and maintained scalable frontend components using **ReactJS** and **Next.js** for the Global Team Sports platform, contributing to a personalized user experience for **20+ markets**.

UMBRA 3D STUDIO - INTERACTIVE

Bogotá
Jan 2020 - Sep 2020

FRONTEND SOFTWARE DEVELOPER

- Created **immersive 3D applications** with **React** and **Unreal/C++** and interactive masterplan visualisations for the real estate sector *PropTech*
- Developed hyper-casual games in **Unity** and **Virtual Reality** to support brand marketing campaigns and mall activations.

EDUCATION

UNIVERSIDAD DE LOS ANDES

Bogotá, Colombia
2019

M.SC. SYSTEMS AND COMPUTING ENGINEERING

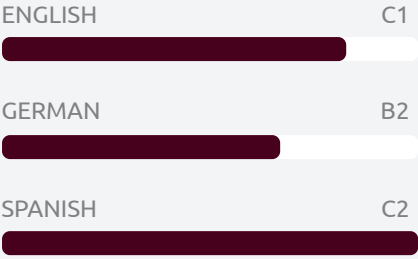

- GPA: 4.5/5.0

Frontend engineer with 6+ years of experience building large-scale web platforms and applications specialized in Node.js, TypeScript, and UI/UX solutions using Storybook TailwindCSS, and interactive 2D or 3D experiences. I own a deep experience of CI/CD practices and SRE in international environments. Berlin-based with work authorization and relocation flexibility within Germany. Dedicated to contributing my expertise gained at global leaders, fostering collaboration through proactive engagement and empathetic leadership.

SKILLS
